FRANK WAGNER

Better known to his friends as "Fat, Short and Miserable" Lives at 517 - 23rd St. N.W. Massillon, Ohio. He is a recently retired member of the Massillon Fire Department where he served some 18 years. Frank and his wife Esther have two children a son and a daughter. He and his wife are very active in church work and are members of the Grace United Church of Christ. Frank has become a missionary's aid by proxy. Since first contacting a missionary of his church in the Republic of Honduras in 1956, Frank has completed more than 425 contacts with Rev. Harold Auler - HR2HA. His efforts were instrumental in organizing and equipping the missions band, for he helped collect musical instruments, sheet music and even the uniforms worn by the band, not to mention patching - Orin Ford director of the Massillon Swing Band to HR2HA for invaluable advice. Frank and his wife Esther made a trip by air to Honduras in 1958 to visit Rev. Auler. as a result of movies taken on that trip and his experiences in Honduras, Frank has shown films and given over 100 talks before church and club groups on the missionary's work. (space does not permit us to describe the wonderful work that Frank has done through amateur radio.)
